

**COMMUNITY CONSULTATION:**

At this stage, no direct consultation has been undertaken by the City in this regard. There was however a submission through Civic Evolution to improve transport services between Geraldton and Mullewa.

**COUNCILLOR/OFFICER CONSULTATION:**

At this stage, no specific liaison has taken place between Councillors and officers.

**STATUTORY IMPLICATIONS:**

It is expected that there would be involvement with agencies such as the Public Transport Authority and owners of the rail network.

**POLICY IMPLICATIONS:**

Receiving this petition and referring to CEO for subsequent reporting is not expected to have any policy implications.

**FINANCIAL AND BUDGET IMPLICATIONS:**

The only anticipated cost at this stage is the officers' time associated with the investigation, which is catered for in the Infrastructure Planning and Design operating budget.

**STRATEGIC & REGIONAL OUTCOMES:****Strategic & Plan for the Future Outcomes:**

Key Result Area 1: Opportunities for Lifestyle.

Outcome 1.1: A sustainable built urban and rural environment.

Strategy 1.1.3: Facilitate increased levels of cycling, walking and public transport.

**Regional Outcomes:**

Potential to improve connectivity with the Mullewa district, however may impact on Council operational budget and uncertainty regarding intentions and commitments of state agencies at this stage.

**ECONOMIC, SOCIAL, ENVIRONMENTAL & CULTURAL ISSUES:****Economic:**

May stimulate employment.

**Social:**

Likely to improve connectivity and inclusion between the communities of Geraldton and Mullewa. May reduce current frustrations associated with Mullewa's isolation.

**Environmental:**
